

## Is Your School Ready to Become ENVoY Certified?

### IF...

- Your staff is ENVoY trained and manages with the 7 Gems
- Your school has active ENVoY coaches
- You are committed to improving student achievement, productivity, and respectful management of all students with ENVoY's Gems, and
- You want every student to maximize his/her capacity to behave and learn at their highest potential, then...

**YOUR SCHOOL CAN BE AN ENVoY CERTIFIED SCHOOL!**

### What are the Benefits of Certifying?

- All-inclusive staff participation & team work culture develops
- Insures every teacher can use the 7 Gems ENVoY correctly
- Improves management in campus common spaces
- Provides more time for content teaching and learning
- Establishes a culture of high productivity in every class
- Reduces discipline issues & improves student behavior
- Reduces student and teacher stress
- Improves attendance, grades, & test scores for all students
- Tailors consultation for each teacher's challenges
- Improves student & teacher relationships
- Increases behavioral and academic success for at-risk learners

### How is it done?

- Your ENVoY consultant works monthly with your building coaches.
- Staffs create and implement a plan for using ENVoY in common spaces.
- 80% or more of all teachers demonstrate the correct use of ENVoY's 7 Gems in a 3-5 minute demonstration for a Michael Grinder certified associate.
